What to Know

Becoming a Concessionaire

DFW Airport uses a Request for Proposals (RFP) process for designated locations, such as travel essentials, gourmet coffee, fast food and sit-down restaurants, snack, and specialty retail locations.

Seeking out the best local sense of place and customer centric brands that highlight innovation and sustainability with excellent customer service.

Interested operators may submit a proposal through the eprocurement platform Bonfire, following the specific instruction in the RFP, including minimum requirements and the submission deadline.
