Questions	Answers
I would like to know if we could get a list of the people registered to attend the Pre-Proposal Conference tomorrow, February 14, 2017 @ Hyatt Regency / Terminal C for the Concessions Opportunity?	Yes. <a href="https://www.dfwairport.com/concessions/solicitations/P2_701162.php">https://www.dfwairport.com/concessions/solicitations/P2_701162.php</a>
Are the locations on our map given today, the only locations that will be available in 2017?	Additional locations may be available later this year. However; these are the only locations currently available.
Can you please extend due date for those now due mid-March so it is not during ARN Conference? Perhaps by 2-4 weeks?	Refer to the "Change/Clarification" section for revised due date.
Is the deposit check deposited into an escrow account?	No.
Can you share the attendee list?	Yes. Refer to "Resources" in the below link. <a href="https://www.dfwairport.com/concessions/solicitations/P2_701162.php">https://www.dfwairport.com/concessions/solicitations/P2_701162.php</a>
Terminal E: Please provide information as to when Phase IV will be open to the public?	Terminal E Phase IV is scheduled to open to the public August 2017 (all dates are subject to change).
If a proposal is denied, do you inform the submitter what was wrong with the proposal?	Proposers may schedule a debrief after Board awards.
Can we apply for multiple locations?	Yes.
How much deposit when we submit RFP?	Refer to Page 22 in the Request for Proposal (RFP) - Proposer must submit a proposal deposit in the amount of Ten Thousand Dollars \$10,000 deposit.
In reviewing the RFP for DFW, I've noticed that the due date for the two bar packages is less than a month away and during a major industry conference, which makes this very difficult for my client. Is there any way to push the date for these two after the fast food due date so we can submit proposals that aren't so rushed?	Refer to the "Change/Clarification" section for revised due date.

<p>Would the airport consider extending the submission deadline, particularly for the bids due on March 14th as there is less than 30 days from the pre-bid to produce and ship the bids. For teams submitting bids on both timelines this it is extremely difficult to stagger the development of the proposal responses according to these separate timelines. Thank you for considering this request.</p>	<p>Refer to the “Change/Clarification” section for revised due date.</p>
