

**REQUEST FOR PROPOSAL
CONCESSIONS OPPORTUNITY**

Addendum No. 8

December 5, 2017

Item	Change / Clarification
RFP Lease Process	<p>The selected proposer will be notified that they will be recommended for award at an upcoming Board meeting. That selected entity will have 60 days from that notice of award to sign and return their lease prior to Board approval. Only awards with signed leases will be presented to the Board.</p> <p>If the lease is not signed within 60 days, Concessions will proceed with the second recommended proposer and the proposal deposit will be forfeited.</p> <p>Please see the Proposal Acknowledgement Form https://www.dfwairport.com/concessions/solicitations/current/index.php</p>

Questions	Answers
If an ACDBE certified concession operator has a separate construction division within the company that is experienced in Airport Concession General Contracting can the M/WBE construction goal be met by acting as their own General Contractor?	DFW International Airport does have affiliation policies. This scenario would have to be reviewed by BDDD in regard to those policies and the M/WBE Program. Without specific knowledge BDDD is unable to provide a complete response.
