

**REQUEST FOR PROPOSAL
CONCESSIONS OPPORTUNITY**

Addendum No. 4

June 6, 2019

PLEASE NOTE THESE CHANGES AND SEE UPDATED RFP:

The requirement that states: (JOINT VENTURES ARE NOT AN OPTION FOR MULTI – LOCATION and/or CONCEPTS UNLESS WAIVED IN WRITING BY the Vice President or designee of BDDD prior to proposal submission. Please submit your waiver in writing 30 days prior to submission) has been revised and not a requirement for this RFP. However, options 2-5 will require a detailed written explanation on why this option or business structure was selected and what meaningful and significant role will be given to the ACDBE. It is required to submit your response in writing at the time of proposal submittal.
